The WIGWAM

1933

Published by
The Student Body, Richmond Division
of the
College of William and Mary

foreword

The Staff presents the 1933 Wigwam with the hope that each Senior will find upon its pages a record of the past year's events. Our wish is that it will help to keep prominent with us that spirit which taught us in the words of Emily Dickinson, of whose poetry she was so fond and some of whose lines have been illustrated in this volume,—

"That such have lived enables us
The tranquiller to die;
That such have died, certificate
For immortality."

We, the Class of 1933, dedicate the third volume of The Wigwam to Miss Luella Townley, who was at the time of her death senior member of the faculty, faculty adviser to the Student Government Association, sponsor of the Junior Class, sponsor of the Luella Townley Literary Society, and faculty adviser to the Staff of the 1933 Wigwam, in tribute to her able leadership and her never ending interest and kindness.

I dreaded that first robin so,
But he is mastered now,
And I'm accustomed to him grown—
He hurts a little though.

The Alma Mater

Hark, the students' voices swelling,
Strong and true and clear!
Alma Mater's love they're telling,
Ringing far and near.

William and Mary, loved of old,
Hark upon the gale,
Hear the thunder of our chorus,
Alma Mater—hail!

Iron-shod and golden-sandaled
Shall the years go by;
Still our hearts shall weave about thee
Love that cannot die.

All thy sons are faithful to thee
Through their college days,
Singing out of hearts that love thee
Alma Mater's praise.

God, our Father, hear our voices,
Listen to our cry:
Bless the college of our fathers,
Let her never die.

Each life converges to some centre
Expressed or still;
Exists in every human nature
A goal.

The Art Students' League of the Richmond Division, College of William and Mary, was formed for the purpose of stimulating interest among the Art Student body. The League is now in its third year of existence.

As a means to the above end, various methods have been tried. The first year under the direction of Mr. Sartur Andrzejwski the Art faculty gave a series of lectures which were very instructive, as a special feature. Last year under Miss Christine Burke various outside speakers addressed the students concerning things of interest in the Art World; this year the League has had "Go and See" trips as a special incentive to Art.

The Board of Officers for this year include:
